You have supported this event **in force and I couldn't be happier.** We have 70 people registered and 70 kits prepared. It will be a fun day.

Remember the theme for October is FISH. Turn in blankets depicting the theme during October and you will received bonus blanket bucks.

Crocheting Chain Three Alternative: Crochet patterns always say "Chain Three" when you begin a row. Many crocheters do not like the look of that chain so here's an alternative: Yarn over twice then go through the intended space and work it like a double crochet. It works great and no one can tell where you began.
