

What's New!

for the week of October 26, 2009

We celebrated our 3rd birthday at Make a Difference Day on Saturday, October 24th. In these three years we have collected over 3,800 blankets—you ladies are awesome, generous, caring and loving friends.

This event would not have been possible without the help of some very special people—Polly Francis who cut every piece of fabric for the 70 kits we had available; Keith and Linda Colahan, Lyle and Kitty Hall, Phil and Anita Pitts, and Bill and Regie Wright—these people were responsible for setting up and taking down the room. Thank you is not enough, but please know how much you are appreciated.

We had 59 sewers/workers at the event; 6 people were sick and will receive a kit; and we had 3 drop-ins who took kits home to complete. Thanks to everyone who participated in the Fish Bowl—your generosity is appreciated.

Mark your calendars now for October 23, 2010.

Pony Tail Holders: These are great to hold the end of thread in your bobbin. You can also use it as a fastener for your embroidery thread. Just slip it over the top of the spool and anchor the loose end with the pony tail holder.
