

## What's New!

for the week of November 16, 2009

Ladies we need your help and we need it in a hurry. We are receiving requests to assist with teenagers in unfortunate situations and we just don't have enough large blankets to service them. If you could please work on blankets that are at least width-of-fabric by two yards long, in prints/colors for the teenagers. Thank you, Thank you, Thank you!

Monday, Nov. 16th is a Project Linus day at Sew Unique in Mt. Shasta. These ladies have turned in several completed quilts from Make A Difference Day.

Tuesday, Nov. 17th will find us at Goose Tracks in Lakeview. Come join us for either of these sew days.

The Running Y Quilters will meet November 20th instead of November 27th and Chilo-quilters will not meet on November 27th.

This quilt was done by Bonnie Fields from our Running Y group.

**Quilting Tip Of The Week** - Have you gone online and seen the free projects at Moda's Bake Shop? Made from all their pre-cut fabrics and some yardage, there are quite a few great projects for you to try.
