

What's New!

for the week of June 7th 2010

Nine-Patch Project

By now you should have 6 completed nine-patch blocks and working on #7 today. Do you realize if you do one nine-patch everyday this summer you will have 92 blocks by August 31st.

What size should they be? Make your nine-patches any size you want. Here are the sizes of squares to cut for various sized blocks:

Cut 1 1/2" squares for 3" Blocks

Cut 2" squares for 4 1/2" Blocks

Cut 2 1/2" squares for 6" Blocks

Cut 3 1/2" squares for 9" Blocks

Cut 4 1/2" squares for 12" Blocks

What fabric should I use? Anything goes. Use all the same fabric, use up strips and squares from your stash. Surely you must have some. You can be color controlled or completely scrappy. You can do light/dark, dark/light, you can use two colors in each block or you can use nine different fabrics in each block. **It's up to you**

Dear Trudy & Quilting
Crew -
Thank you so much
for the beautiful quilts
you have donated to
the children of Remi
Vista. Many of them
have been through
difficult times, and your
blankets help give them
comfort & TLC. What a
great service!
Best wishes to you
& your "Blanketeers"
- Leslie Finch Remi
Vista

Remi Vista, Inc. is a private, nonprofit corporation that provides therapeutic services for youth and families who have either been placed in out-of-home care or who are considered to be at risk for such placement.

Thanks to the Mt. Shasta ladies for setting this up for us. You can read more about them at: http://www.remivista.com/Remi_Vista_Inc/

Have you started your blocks for the Elm Creek Quilters? Here is more information for you: <http://elmcreek.net/index.php/main/news/sarahs-twins-cast-your-vote/> I encourage you to make additional blocks for our chapter and we will have a get-together to assemble them.
