

What's New!

for the week of June 14th 2010

Nine-Patch Project: Do you have 13 blocks completed and working on number 14? There will be special prizes for those who have 92 blocks completed on August 31, 2010.

Elm Creek Quilters: Have you started your blocks for the Elm Creek Quilters? Here is more information for you: <http://elmcreek.net/index.php/main/news/sarabs-twins-cast-your-vote/> I encourage you to make additional blocks for our chapter and we will have a get-together to assemble them.

Another Thank You: We have delivered 30 blankets per month to Rogue Valley Medical Center-NI CU since early 2007. As a reminder, they prefer these blankets to be crib-size (34" x 52") so they will cover the isolet.

Reminders: June 20th—living History Day at Collier Park—our raffle quilt will be there.

June 26th and 27th—Chiloquilters Quilt Show—we will be there both days.
