

What's New!

for the week of August 16th 2010

This Week: No scheduled sew days or events.

Camp Evergreen: We will be delivering these blankets on Saturday, August 21st. Thanks to everyone for helping to fill this need.

Nine-Patch Project: Do you have 76 blocks completed and working on number 77? Please let me know as you complete them so I can have your prizes assembled. There will be special prizes for those who have 92 blocks completed on August 31, 2010. Diana Giordano has completed her 2nd set of 92 — way to go Diana. Nancy Froemke has turned in 57 9-patch units—thanks Nancy.

Jo-Ann's: Craft for A Cause Contest 2010. You could win a \$1,500 Jo-Ann Gift Card. Your favorite charity could win \$50,000. The more you craft & give, the better it is for the cause that's closest to your heart. So get your friends involved, group together and Craft for a Cause!

HOW YOU CAN WIN. Craft for your favorite organization using materials purchased from Jo-Ann. Submit photos of each item. Entries judged on creativity, quality & functionality of the item for the chosen organization. Top 5 entries will each win a \$1,500 Jo-Ann gift card.

HOW YOUR FAVORITE CHARITY CAN WIN. The 3 charitable causes receiving the most entries become Craft for a Cause finalists. Starting Nov. 7, 2010, vote at Joann.com® for your favorite of these 3 charities. Jo-Ann will donate: 1st Prize - \$50,000 2nd Prize - \$25,000 3rd Prize - \$15,000. We give because you give. Enter to win - find official rules & details at www.Joann.com/craftforacause. Crafting contest begins August 15, 2010 & ends October 30, 2010. Charity voting ends December 4, 2010. Ladies, we can do this—\$50,000 to headquarters trickles down to individual chapters.

Make a Difference Day: October 23rd is the date and Klamath Community College is the place. Please remember you must pre-register in order to receive a kit. We had several people attend Make a Blanket Day that did not pre-register and thus we didn't have enough kits. 35 registrations to date—Chiloquilters, where are you?

Tip of the Week: From Nancy Zieman -To thread my sewing machine needle with ease when using invisible thread, use a black permanent marker and color the thread end for easy viewing.

This was turned in at Tater Patch last Saturday—who made it?

This is part of Kathy Cloyd's 9-patches.
